Re: Dyanna Larson, Ink Think

To Whom It May Concern:

I am delighted to prepare this testimonial letter for Dyanna Larson of Ink Think. In January of 2005, I asked Ms. Larson to review my website content. Not only did she correct a few grammatical errors, she also "jazzed up" the content, made it flow much smoother; making the content both useful and interesting at the same time.

I have received several compliments on the changes to my website content since that time as well new clients that stop by and are very impressed with not only the professionalism, but the readability of the site.

I wholeheartedly recommend Dyanna as a copyeditor/ghostwriter for anyone that is looking to revise or create interesting and meaningful content.

Thank you,
